1. May the new year begin with joy, and may the exultation/dance of the cantor be worthy of our happiness.
2. At the start of the new year, the voice of the psalmists resounds, thus the hymn of everyone will praise the admirable cantor
3. May the new year be given the name that all the people acclaim. May these praises be carried by the voice of the cantor, may he proclaim them to all.
4. Renewal and happiness are suitable for the new year. With the new year salvation appears from the temple of the Virgin.
5. New year, worthy of praise, O ineffable day, and you, miraculous cantor, remain for ever firm.
6. May the new year be celebrated in polyphonic songs. May all the art of music resound because of the presence of the cantor.
