

# Welcome to BREMF@home

**Below you can find how to watch the videos that will be posted both on YouTube and Facebook.**

**You can watch this year's festival on your smartphone, tablet, computer or even on your Smart TV.**

**Each of the videos will be online for one week after its premiere.**

## YouTube - Computer

1. Open your chosen web browser such as Google Chrome or Safari for Apple users.
2. Go to YouTube by typing [www.youtube.com](http://www.youtube.com) into the address bar at the top of the screen.
3. Type 'Brighton Early Music' into the search bar and you will find our YouTube channel - click on this.
4. Once you are on our channel, locate the 'playlists' tab and you should find the 'BREMf@home' Playlist. This is where all the concerts will be streamed and you can watch each performance for a week after its premiere.

## YouTube - Smartphone/Tablet
